## Need a 2B!

I need a new second baseman because my original draft choice, Julio Lugo, is garbage.

I can pick up either Ty Wigginton from Tampa Bay or Kelly Johnson from the Braves as a Free Agent, but I really want Brandon Phillips.

Here's my roster: who should I give up for him?

C - Russell Martin (LAD)  
1B - Derrek Lee (CHC)  
2B - Julio Lugo (BOS)  
3B - Alex Rodriguez (NYY)  
SS - Rafael Furcal (LAD)  
OF - Ken Griffey Jr. (CIN)  
OF - Gary Sheffield (DET)  
OF - Carlos Lee (HOU)  
UTIL - Torii Hunter (MIN)  
Ben - Andruw Jones (ATL)  
Ben - Ryan Zimmerman (WAS)

P - Roy Halladay (TOR)  
P - A.J. Burnett (TOR)  
P - Roy Oswalt (HOU)  
P - Jeremy Bonderman (DET)  
P - Rich Harden (OAK)  
P - Andy Pettitte (NYY)  
P - Bobby Jenks (CHS)  
P - Ben Sheets (MIL)

He's not exactly a well-kept secret any more, but I picked up Brandon Phillips (Reds) late in my draft, and he's been awesome, hands down one of the best 2Bs in the majors.

See what people in your league are interested in - it seems you could have a lot of pitching you could give up.

Ty Wigginton (D-Rays) is eligible at a number of positions as well, if he's available.
